## **STUDENT ACCOUNT REGISTRATION AGREEMENT**

**All students who register, by doing so, agree to the following policies:**

### **COURSE REGISTRATION**

1. I am responsible for planning an academic program that meets current requirements, including the required sequencing of classes.
2. I am responsible for meeting with my academic advisor before I register for classes to ensure that intended courses meet a program requirement or elective.
3. I am responsible for the actions taken to register for courses, to drop courses, or add courses. This includes actions taken by registering on the web or in person at the Registrar's Office.
4. I understand that when I register for any class at University of Saint Francis (USF) I accept full responsibility to pay all tuition, fees and other associated costs assessed as a result of my registration and/or receipt of services.
5. I understand and agree that if I drop or withdraw from some or all of the classes for which I register, I will be responsible for paying all or a portion of tuition and fees in accordance with the published tuition refund schedule located in the USF catalog. I further understand that my failure to attend class does not absolve me of my financial responsibility.

### **BILLING AND PAYMENT PROCEDURES**

1. Account balance information is available on My Cougar Connection.
2. Students will receive a paper copy of their billing statement. It is my responsibility to monitor my balance.
3. Payment of any balance not covered by financial aid is owed by the published due date. After this due date, students with a past due balance will be assessed a \$50.00 late fee each month the balance remains unpaid.

### **UNPAID PASTDUE STUDENT ACCOUNT BALANCES**

1. Continuing unpaid past due balances are subject to late payment fees, penalties and interest.
2. I am responsible for any and all collection costs and attorney fees associated with the collection of unpaid balances.

3. I understand and agree that if I fail to pay my student account bill by the scheduled due date, USF will place a financial hold on my student account, preventing me from registering for future classes, requesting transcripts or receiving a diploma. I understand and accept that if I fail to pay my student account bill or any monies due and owing to USF by the scheduled due date, and fail to make acceptable payment arrangements to bring my account current, USF may refer my delinquent account to a collection agency. I further understand that I am responsible for paying the collection agency fee which may be based on a percentage at a maximum of 45% of my delinquent account, together with all costs and expenses, including reasonable attorney's fees, necessary for the collection of my delinquent account.
4. I understand that my delinquent account may be reported to one or more of the national credit bureaus.

### **FINANCIAL AID**

1. The Office of Financial Aid reviews enrollment status on a rolling basis.
2. I will receive a new email each time awards are adjusted based on new information received including, but not limited to enrollment level or housing status.
3. If information in the email is not correct, I am responsible for notifying the Office of Financial Aid.
4. Students dropping or withdrawing from courses should notify the Office of Financial Aid to determine if this action requires an adjustment to the student's financial aid funding.
5. I am responsible to reply to requests for additional information in a timely fashion.
6. An incomplete financial aid file will result in a delay of financial aid funding being processed and applied to the student's business office account.
7. Students must have a completed Free Application for Federal Student Aid (FAFSA) on file with the Office of Financial Aid to be reviewed for financial aid eligibility.
8. I understand that my Financial Aid Award is contingent upon my continued enrollment and attendance in each class upon which my financial aid eligibility was calculated. If I drop any class before completion, I understand that my financial aid eligibility may decrease and some or all of the financial aid awarded to me may be revoked.
9. If some or all of my financial aid is revoked because I dropped or failed to attend class, I agree to repay all revoked aid that was disbursed to my account.

### **COMMUNICATION**

1. I understand and agree that USF uses e-mail as an official method of communication with me, and that therefore I am responsible for reading the emails I receive from USF on a timely basis.
2. I understand and agree that I am responsible for keeping USF records up to date with my current physical address, email addresses, and phone numbers by contacting the Registrar's office.

## PRIVACY RIGHTS & RESPONSIBILITIES

1. I understand that USF is bound by the Family Educational Rights and Privacy Act (FERPA) which prohibits USF from releasing any information from my educational record without my written permission.
2. I understand that if I want USF to share information from my education record with someone else, I must provide written permission.
3. I understand that I may revoke my permission at any time by providing written confirmation.

### Acceptance of these Terms

---

- I understand that it is my responsibility to make sure that I fulfill all requirements in the Office of Financial Aid so that aid and loans may be applied to my account at the start of the academic term.
- I understand and agree to the assessment of late payment fees, penalty or interest, and collection costs for unpaid past due balances.
- I hereby agree that my Title IV funds (Federal Loans, Pell Grant, FSEOG Grant, etc.) may be used to pay any charges from the University of Saint Francis.
- This agreement supersedes all prior understandings, representations, negotiations and correspondence between the student and USF, constitutes the entire agreement between the parties with respect to the matters described, and shall not be modified or affected by any course of dealing or course of performance.
